

Six Purposes of AVID Site Teams

- Purpose 1: To develop school wide goals which ensure that all students have equal access to knowledge and mainstream activities of the school.
- Purpose 2: To focus on budgetary decisions which enhance school wide goals.
- Purpose 3: To be aware of and act on assumptions and practices at the school that enhance or inhibit equal access.
- Purpose 4: To involve students in discussions about effective learning situations.
- Purpose 5: To focus on teaching practices which enhance student access.
- Purpose 6: To focus on changes in school organization which need to result as a consequence of new conceptions regarding teaching and learning.
